

Mould Remover Concentrate

Special cleaners

Area of application: For removing of mould layers and organic pollutions on all mineral substrates like plaster , concrete, ceramic tiles, bricks, and dispersion paint coats.

Suitable for outdoors (façade cleaning) and indoors (cleaning and brightening of joints in bathroom and kitchen).

For cleaning of carving boards, conveyor belts in butcheries, as well as in the meat-processing companies, as well as bakeries.

For removing of unpleasant odours in waste containers and bins.

- Properties:**
- It reliably and sustainably removes mould
 - With active chlorine
 - Immediate effect
 - Suitable for all mineral substrates
 - It brightens again surfaces affected by mould

Certification: **BAuA - Bundesanstalt für Arbeitsschutz und Arbeitsmedizin**

Registration as per biocide registration ordinance: Reg. No.: N-81563

Technical data:	Nature of the product	Liquid
	Colour	Slightly yellowish
	pH-value (concentrate)	approx. 12
	pH-value (1 %)	approx. 9

Application: Before use, check for material compatibility in an invisible position.

Richly spray the surface affected by mould from a distance of 10 cm to 15 cm or apply it using a sponge. The application time strongly depends on the intensity of the mould infestation and can be between some minutes and several hours.

Application	Dilution
For slight pollution:	1 : 1 to 1 : 10
In case of strong pollutions/ mould infestation:	Undiluted

If necessary, repeat the procedure.

In the food area, for tile joints and silicone joints, let it act for approx. 5 to 10 minutes, then completely rinse with water.

Use it outdoors on dry substrate (deep action).

Thicker layers should be removed manually before the application.

Caution! This product includes chlorine. Do not use together with acidic products, because dangerous fume can be generated. Avoid contact with textiles, aluminium, wood, painted surfaces or fittings that are not made of stainless steel, colour changes can occur (bleaching effect).

Storage: Protect from frost!

Mould Remover Concentrate

Special cleaners
